

Nights In White Satin

The Dickies

Nights in white satin, never reaching the end
Letters I've written, never meaning to send
Beauty I've always missed with these eyes before
Just what the truth is I can't say anymore

Because I love you, yes I love you
Because I love you, yes I love you
Because I love you
Because you know I love you

Gazing at people, some hand in hand
Just what I'm going through, they can't understand
Some try to tell me thoughts they cannot defend
Just what you wanna be you'll be in the end

Because I love you, yes I love you
Because I love you, 'cause I love you
Because I love you
Because you know I love you
Because you know I love you

Nights in white satin, never reaching the end
Letters I've written, never meaning to send
Beauty I've always missed with these eyes before
Just what the truth is I can't say anymore

Because I love you, yes I love you
Because I love you, because I love you
'Cause I love you
Because you know I love you
Because you know I love you
Because you know I love you
Because you know I love
