Blue Eyes Blue

Eric Clapton

I thought that you'd be loving me
I thought you were the one who'd stay forever
But now forevers come and gone
And I'm still here alone
'Cause you were only playing
You were only playing with my heart
I was never waiting
I was never waiting for the tears to start
It was you who put the clouds around me
It was you who made the tears fall down
It was you who broke my heart in pieces
It was you, it was you who made my blue eyes blue
Oh, I never should have trusted you
And I thought that I'd be all you need
In your eyes I thought I saw my Heaven
And now my Heaven's gone away
And I'm out in the cold
'Cause you had me believing
You had me believing in a lie
Guess I couldn't see it

I guess I couldn't see it till I saw goodbye
It was you who put the clouds around me
It was you who made the tears fall down
It was you who broke my heart in pieces
It was you, it was you who made my blue eyes blue
Oh, I never should have trusted you
'Cause you were only playing
You were only playing with my heart
I was never waiting
I was never waiting for the tears to start
It was you who put the clouds around me, it was you
It was you who put those clouds around me
It was you who made the tears fall down
Only you who broke my heart in pieces
It was you, it was you who made my blue eyes blue
Oh, I never should have trusted
Oh, I never should have trusted
Oh, I never should have trusted

Oh, I never should have trusted you
