Elijah Rock Shout Shout
Elijah Rock Comin up lord (*2)
Satan is a liar, conjure too
Don` t find out he` ll a-conjure you
If I could, surely would stand on the rock moes stood

Wheel in the middle of the wheel

Others say the Prince of Peace
I can tell this whole world
Been a rock and a shelter for me

CHORUS

You can call my rock in the morning
Call him late at night
Always with me, all my battles he fights

I can call him on the line
Put a telephone in my heart
