

One and One Makes Two

Johnny Cash

is it getting better
or do you feel the same
will it make it easier on you now
if you've got someone to blame
 you said one love
 one life
 when it's one need
 in the night
 one love we get to share it
 it leaves you baby if you dont care for it
 did i disappoint you
 or leave a bad taste in your mouth
 you act like you never had love
 and you want me to go without
 well its too late
 tonight
 to drag the past out
 into the light
 we're one but we're not the same
 we get to carry each other
 carry each other
 one
 have you come here for forgivness
 have you come to raise the dead
 have you come here to play jesus
 to the lepros in your head
 did i ask too much
 more than a lot
 you gave me nothing now
 it's all i got
 we're one but we're not the same
 well we hurt each other and we're doin it again
 you said love is a temple
 love the higher law
 love is a temple
 love the higher law
 you ask me to enter
 but then you make me crawl
 i cant be holdin on

to what youve got
when all youve got is hurt
 one love
 one blood
 one life
youve got to do what you should
 one life with each other
 sister
 brothers
one life but we're not the same
 we get to carry each other
 carry each other
 one
