

Light Up And Let Go

Faith No More

The way you're holding me
I'm gonna blow up in your face
You know the way
You gotta light up and let go

(I won't, I won't, I won't)
You'd better let go
(I won't, I won't, I won't)

Let go
You better let go
(I won't, I won't, I won't)

You wanted flames
But now your tears won't put out the blaze
Before you run away
Know that I cannot let go

(I won't, I won't, I won't)
You'd better let go
(I won't, I won't, I won't)
Let go
(I won't, I won't, I won't)
You'd better leg go
(I won't, I won't, I won't)

???

The way you're holding me
I'm gonna blow up in your face
You know the way
You gotta light up and let go

(I won't, I won't, I won't)
You'd better let go
(I won't, I won't, I won't)
Let go
(I won't, I won't, I won't)
You'd better leg go
(I won't, I won't, I won't)

Let go
