

One Of These Nights

Nachtmystium

One of these nights
One of these crazy old nights
We're gonna find out, pretty mama
What turns on your lights
The full moon is calling, the fever is high
And the wicked wind whispers and moans
You got your demons, you got desires
Well, I got a few of my own
Ooo, someone to be kind to
In between the dark and the light
Ooo, coming right behind you
Swear I'm gonna find you
One of these nights
One of these dreams
One of these lost and lonely dreams now
We're gonna find one
One that really screams
I've been searching for the daughter of the Devil himself
I've been searching for an Angel in white
I've been waiting for a woman who's a little of both
And I can feel her but she's nowhere in sight
Ooo, loneliness will blind you
In between the wrong and the right
Ooo, coming right behind you
Swear I'm gonna find you
One of these nights
(One of these nights)
Ooo, in between the dark and the light
Coming right behind you
Swear I'm gonna find you
Get ya baby one of these nights
(One of these nights)
(One of these nights)
I can feel it, I can feel it
(One of these nights)
Coming right behind you
Swear I'm gonna find you now
(One of these nights)
It gets so dark, it's so dark and all alone

(One of these nights)
One of these crazy, crazy, crazy nights
(One of these nights)
Swear I'm gonna find you
Coming right behind you
(One of these nights)
(One of these nights)
I wanna say, aah
(One of these nights)
One of these, one of these
(One of these nights)
Coming right behind you
Swear I'm gonna find you
(One of these nights)
