We Got You

S Club Juniors

We got you jumping hooplas-ah-ah. And I need a pretty face to hide my cred It takes a certain kinda look to turn my head It's no wonder that you try to play it cool When you gonna realise that you're my fool Coz everywhere I go, you're the one I see So keep walking, get into full swing (Swing) No matter what I do, you keep chasing me Keep moving coz I'm sick of your talking Rules two and three will make you wanna follow me Rule one, y'know ya gotta have fun It's how I begun, and it's what we've become Relax, stay cool it's what you wanna be We got you like the kitty's got the cream We got you where we want, but you don't got me We got you jumping hooplas in your sleep You know we got you real good We got you like the desert's got the sun We got you climbing mountains just for fun We got you wrapped around our fingers and our thumbs You know we got you real good I'm so amazed how far you seem to go Too entertaining go get your own show It would take a miracle for you to get respect You'll go crazy coz you're playing with my interlect Don't call us coz we'll call you We got you hook line and sinker and we'll tell you what to do C'mon c'mon you gotta show me how Take a chance now, walk the plank now You gotta loop the loop you gotta jump the hoopla Count to three coz you know we're gonna get ya If you wanna get with us don't fight don't fuss Just here in this respect, ya know it's kinda obvious, oh, We got you jumping hooplas in your sleep We got you like the kitty's got the cream We got you where we want, but you don't got me You know we got you real good We got you like the desert's got the sun We got you climbing mountains just for fun You know we got you real good, we gotcha, we gotcha We got you wrapped around our fingers and our thumbs Ya know you're getting played i'm here to stay Ya know that I'll be using you all the way Coz you're easy peasy lemon squeezy You're as simple as ABC (Yeah) I'm gonna knock you over all breezy And you know you wanna get it together with me Coz I'm the madness taking you in Can't get enough of this S Club Thing We got you jumping hooplas in your sleep We got you like the kitty's got the cream You know we got you real good We got you where we want, but you don't got me We got you like the desert's got the sun We got you climbing mountains just for fun We got you wrapped around our fingers and our thumbs You know we got you real good, we gotcha, we gotcha Repeat until fade
