

# Thrill

## Able

Music & Lyrics by: Johan Gille  
From the album: Lost Love Songs

Itâ€™s never gonna build  
Itâ€™s never gonna build  
From here the only way is down  
And thatâ€™s not the thrill  
Thatâ€™s not the thrill  
That made us paint this whole damn town  
In blue and red

All my life  
Iâ€™ve tried to find  
A trust that wonâ€™t be spilt  
Aw, just a sad old fool  
With a Sunday blues  
Tells him he never will

I canâ€™t sit still  
No, I canâ€™t sit still  
Must see those bright lights above town  
And thatâ€™s not the thrill  
Thatâ€™s not the thrill  
That youâ€™ve found with another love now  
Sweeter, softer...

All my life  
Iâ€™ve tried to find  
A love that wonâ€™t be spilt  
Ah, just a sad old fool  
With a country blues  
Tells him he never will
