

In the Name of the Father

The Thirsting

(Chorus)

From the name of the Father
Who created this world
And the Son,
Who redeemed my soul
And the Spirit,
Who is making me whole,
One Holy Trinity throughout eternity, yeah!

The Father
Who created this world
And the Son,
Who redeemed my soul
And the Spirit,
Who is making me whole,
One Holy Trinity throughout eternity, yeah!

One love, one faith
Yeah, that's what we profess,
On our lips on our tongues
It makes the demons run.
We talking Jesus Lord of Lords
King of Heaven and Earth,
And the Father up in heaven
And the Spirit sent to earth.
This is the Holy Trinity throughout eternity
Yeah, the Holy Trinity in all His majesty,
So we beginning this record like you know we should
With the blessings of the Trinity in your neighborhood.

Let us begin then!

(Chorus)

From the name of the Father
Who created this world
And the Son,
Who redeemed my soul
And the Spirit,
Who is making me whole,

One Holy Trinity throughout eternity, yeah!

The Father
Who created this world
And the Son,
Who redeemed my soul
And the Spirit,
Who is making me whole,
One Holy Trinity throughout eternity, yeah!

Get up, get up, get up on your feet!
He is the one who set you free.
Get up, get up, get up on your feet!
He is the word who makes you free.

Ah let me break it down,
Break it down like this.
Cause there are people in the world
They think the Three They don't exist,
They say: "how can there be three
When there's only one?"
And they fail to understand
Father Spirit Son.

So I take em the truth which is the Holy Church,
And you can't deny that if you believe in the Son, yeah!
God from God Baby,
Light from Light,
A true God from true God
Begotten not made

Let us begin then!

(Chorus)
From the name of the Father
Who created this world
And the Son,
Who redeemed my soul
And the Spirit,
Who is making me whole,
One Holy Trinity throughout eternity, yeah!

The Father
Who created this world
And the Son,
Who redeemed my soul

And the Spirit,
Who is making me whole,
One Holy Trinity throughout eternity, yeah!

Get up, get up, get up on your feet!
He is the one who set you free.
Get up, get up, get up on your feet!
He is the word who makes you free.

Oh, Glory to the Father,
To the Son
And Holy Spirit, now! (4x)

From the name of the Father!
