

Hey June

East West

Hey June, I can't believe
you going away again this far.
Hey June I can't take much more of this at all
Cause life was meant to be so much more than you are...
Hey June, I didn't hear you come in late again last night
Hey June, I can't smell his cologne on you
Hey June, Are you gonna stay out late again tonight
Cause life was meant to be so much more than you are...
Here she comes again, she comes and goes.
