The Two Of Us

Sister Vanilla

Oh yeah
Get ready for the time of our lives
Gotta make hits turn we gotta look tight
Turn on the music, get into the mood
And together we'll break a wild move
No bell ring
We gonna turn it out
Anyone who doesn't play better get out of my way
Just the two of us, it's just the two of us
You'll be there for me, I'll be there for you (for you)
It's just the two of us
Good time guarantee you and me, it's all we need
Tell me now if you're ready on set
Set to make it a night that we'll never forget

Ain't no leaving till the sun comes up
No one says it's over 'til we had enough
No bell ring
We gonna turn it out
Anyone who doesn't play better get out of my way
Just the two of us, it's just the two of us
You'll be there for me, I'll be there for you (for you)
It's just the two of us
Good time guarantee you and me, it's all we need
All I need is all of you
All I want look perfect too
Cause it's just the two of us
You'll be there for me, I'll be there for you
It's just the two of us
Good time guarantee you and me, it's all we need
