

All The King's Horses

[Aretha Franklin](#)

All the king's horses
And all the king's men
Couldn't put our two hearts together again We sat on a wall of happiness
We sat on a wall of love
We sat on a wall of security so high above With his arms all around me
It was like a fairy tale
Two people so in love
Tell me how could it fail The walls started shakin' her love right now
Happiness is given away, security is fallin' down
He fell, I fell, another is left to tell Is all the king's horses
All the king's men
Couldn't put our two hearts together again All the king's horses
All the king's men
Couldn't put our two hearts together again Walls started shakin' I heard love crying out
Happiness is given away security is tumbling down
He fell, I fell
And all there is left to tell Is all the king's horses
All the king's men
Couldn't put our two hearts together again
Couldn't put our two hearts together again
Couldn't put our two hearts together again
Couldn't put our two hearts
