I'll Say Goodbye

Total Touch

Chorus:
I'll say goodbye
And walk away from all this pain inside
This love will die
It's an endless road so I'll say goodbyeI think about the times that we spent all alone
Think about the times that I would drv your tears
Help you through all your fears
Now you're telling me that you have to move on
When I needed you the most you let me down
Won't see my tears, our love has gonerepeat chorusI don't understand how good love can go wrong
Must have been a lie that I laid
All my hopes ard dreams upon
Holding back my feelings I won't let them show
'cause now I realize I have to face the truth
And try to let you gorepeat chorusbridge:
I'll say goodbye
Can't count the tears I've cried
Can't find the reason why I should live
In endless confusion
L'm gonna spread my wings and say goodbye
It's time for me to fly
Repeat chorus (2x)
