Down

Earshot

I, wonder what the day will bring tomorrow
When I wake
Why, do I decide to dwell upon mistakes
I haven't made?
Maybe I'm afraid
So I try
I try to find the words to explainWhy I feel so down?
(Aey)
Why I feel so down?
So down?
SoDon't ask why
(Don't ask why)
I could care less of the world outside
One more time
(One more time)
I will come out of the dark of my mind
Who knows what I find
Still I try
I try to find the words to explainWhy I feel so down?
(Aey)
Why I feel so down?
So down?
SoSo I look for a dark place to hide
Must be a reason I do
Why do I?
(Why do I?)
Seem unsatisfied?
I try to find the words to explainWhy I feel so down?
(Aey)
Why I feel so down?
So down?
