

# Down

## Earshot

I, wonder what the day will bring tomorrow  
When I wake  
Why, do I decide to dwell upon mistakes  
I haven't made?  
Maybe I'm afraid  
So I try  
I try to find the words to explain Why I feel so down?  
(Aey)  
Why I feel so down?  
So down?  
So Don't ask why  
(Don't ask why)  
I could care less of the world outside  
One more time  
(One more time)  
I will come out of the dark of my mind  
Who knows what I find  
Still I try  
I try to find the words to explain Why I feel so down?  
(Aey)  
Why I feel so down?  
So down?  
So So I look for a dark place to hide  
Must be a reason I do  
Why do I?  
(Why do I?)  
Seem unsatisfied?  
I try to find the words to explain Why I feel so down?  
(Aey)  
Why I feel so down?  
So down?
