

# This Heart Attack (Grafton Primary Radio Edit)

## Faker

I'm going away to be alone  
I'm coming back with answers  
Don't try to call  
My telephone, it's disconnected And I don't know where I'm going  
But can you guide me  
But if I find love where I'm going  
Will it survive me?'Cause in your own space  
You're disconnected  
And in your own mind  
You're not affected And in your own time  
You're still attracted but in your own life This heart attack  
I've gotta get away not coming back  
I want some downtime  
So call me when you can and I'll be fine I've found the time to be alone  
I don't know what you're asking  
I'm waiting by the telephone  
And you're still barking My heart stops, it isn't going  
Could you revive me?  
I think I'm lost without knowing  
So come and find me 'Cause in the same space  
We're disconnected  
And in your own mind  
You're not attracted But in your own life over reacted  
And in your own time This heart attack, I think  
I'll go away not coming back  
I'm off the line  
So call me when you can some other time This heart attack  
I've gotta get away not coming back  
I want some downtime  
So call me when you can and I'll be fine Sometimes if we don't go  
Sometimes you don't know  
You don't go, I don't go  
I don't go, you don't go I've got your back  
But you don't got mine  
This heart attack  
Then I'm feeling fine This heart attack  
I've gotta get away I'm not coming back  
I'm 'bout to flat line  
So call me when you can some other time This heart attack

I've gotta get away not coming back  
I want some downtime  
So call me when you can and I'll be fine I'm going away to be alone  
I'm going away to be alone  
I'm going away to be alone  
I'm going away to be alone
