

# Giving In

## Willschrey

We want you to make it  
You're given the life and you choose to take it  
Open the door, the snakes made it in  
Make love to your snake, the skin keeps you warm  
As I don't know, and I don't know  
And I don't know, well I don't know  
'Cause it's the things you don't know  
The power to grow, I give in  
Use your senses the best way you can  
Believe in yourself, give in, give in, give in  
Believe in yourself, give in, give in  
We want you to make it  
You're given the life and you choose to take it  
Open the door, the snakes made it in  
Make love to your snake, the skin keeps you warm, yeah  
Yeah, if you're staying alive  
It's hard to survive  
And when you're feeling dead  
There's nothing to be said  
And I don't know, and I don't know  
Well I don't know, and I don't know  
'Cause it's the things you don't know  
The power to grow, I give in  
  
Use your senses the best way you can  
Believe in yourself, give in, give in, give in  
Believe in yourself, give in, give in, give in  
Believe in yourself, give in, give in, give in  
Believe in yourself, give in, give in  
Yo  
Well I know the long road  
You're gonna take it  
Yes, I know the long road  
You're gonna take it  
Yeah, I know the long road  
You're gonna take it  
'Cause I know the long road  
You're gonna take it  
'Cause I know the long road

You're gonna take it  
'Cause I know the long road  
You're gonna take it  
I know the long road  
You're gonna take it  
And I know the long road  
You're gonna take it
