I Will Kill You (live)

Cannibal Corpse

Bleed for my pain
Revenge on treacherous snakes
They will paySlicing the flesh
Sculptured wounds my catharsis
I will stainInto the heart
Needle injects gasoline
ConvulsionsThe one that they betrayed
Has made them this wayPlagued by the bastards
I will kill you
Killed by my rageScream at my face
The grisly scars went unavenged
Until nowDeep in the hole
You are not gagged and scream aloud
But unheardChoke on your vomit
You watch your hands cut off
Then your legsThe one that you betrayed
Will kill you this wayScarred by the bastards
I will kill you
Killed by my rage
I must kill youInto the throat
The scalpel slices
Warm blood sprays out
The gushing enticesPull out your heart
And let you watch
Shove in your mouth
Then stab your crotchI watch your agonyI am released
From years of pain
Your death averted
My becoming insane
You are deadI have killed you
