

# I Will Kill You (live)

## Cannibal Corpse

Bleed for my pain  
Revenge on treacherous snakes  
They will pay Slicing the flesh  
Sculptured wounds my catharsis  
I will stain Into the heart  
Needle injects gasoline  
Convulsions The one that they betrayed  
Has made them this way Plagued by the bastards  
I will kill you  
Killed by my rage Scream at my face  
The grisly scars went unavenged  
Until now Deep in the hole  
You are not gagged and scream aloud  
But unheard Choke on your vomit  
You watch your hands cut off  
Then your legs The one that you betrayed  
Will kill you this way Scarred by the bastards  
I will kill you  
Killed by my rage  
I must kill you Into the throat  
The scalpel slices  
Warm blood sprays out  
The gushing entices Pull out your heart  
And let you watch  
Shove in your mouth  
Then stab your crotch I watch your agony I am released  
From years of pain  
Your death averted  
My becoming insane  
You are dead I have killed you
