

Beauty of the Beast

Nightwish

Trees have dropped their leaves
Clouds their waters
All this burden is killing me
Distance is covering your way
Tears your memory
All this beauty is killing me Oh, do you care, I still feel for you
So aware, what should be lost is there I fear I will never find anyone
I know my greatest pain is yet to come
Will we find each other in the dark
My long lost love Oh, do you care, I still feel for you
So aware, what should be lost is there One more night to live Safely away from the world. In a dream. timeless
domain
A child, dreamy eyed, mother's mirror, father's pride I wish I could come back to you. once again feel the rain
Falling inside me. cleaning all that I've become My home is far but the rest it lies so close
With my long lost love under the black rose
You told I had the eyes of a wolf
Search them and find the beauty of the beast All of my songs can only be composed of
The greatest of pains
Every single verse can only be born of
The greatest of wishes
I wish I had one more night to live A saint blessed me, drank me deeply
Spitting out the misery in me
Still a sinner rapes 1000 saints
Sharing the same hell with me
Sanest choice in the insane world
Beware the beast but enjoy the feast he offers Sanest choice in the insane world:
Beware the beast but enjoy the feast he offers All of my songs can only be composed of
The greatest of pains
Every single verse can only be born of
The greatest of wishes
I wish I had one more night to live Oh, sweet christabel
Share with me your poem
For I know now I'm a puppet on this
Silent stage show I'm but a poet
Who failed his best play
A dead boy,
Who failed to write an ending
To each of his poems
