Able To Love

Benny Benassi

Nobody's business
If I walk, talk, make love, sing
But I'm able to love
Able to live, able to love
Nobody's business
If I walk, talk, make love, sing
But I'm able to love
Able to live, able to love
Nobody's business
If I walk, talk, make love, sing
But I'm able to love
Able to live, able to love
Nobody's business
If I walk, talk, make love, sing
But I'm able to love
Able to live, able to love

Nobody's business
If I walk, talk, make love, sing
But I'm able to love
Able to live, able to love
Able to live, able to love
Able to live, able to love
I'm available
Nobody's business
If I walk, talk, make love, sing
But I'm able to love
Able to live, able to love
Nobody's business
If I walk, talk, make love, sing
But I'm able to love
Able to live, able to love
