Kind Woman

Poco

I got a good reason for loving you
It's an old fashioned sigh
I kinda get the feelin' like, you know when
I fell in love the first timeKind woman, won't you love me tonight?
I've seen the look in your eyes
Kind woman, don't leave me lonely tonight
Please say it's alrightRemember once before you're hearing the old folks say
Love's an ageless old rhyme
But now a days you know the sayin' depends so much on
The kind of woman that you findKind woman, won't you love me tonight?
I've seen the look in your eyes
Kind woman, don't leave me lonely tonight
Won't you say it's alrightKind woman, won't you love me tonight?
I've seen the look in your eyes
Kind woman, don't leave me lonely tonight
Won't you say it's alright
