

Triumphant (Get 'Em)

Mariah Carey

Get 'em, get 'em, get 'em (Go)

Hit 'em, hit 'em, hit 'em (Go)

Get 'em, get 'em, get 'em (Go)

Hit 'em, hit 'em, hit 'em (Go)

Get 'em, get 'em, get 'em (Go)

Hit 'em, hit 'em, hit 'em (Go) They told me get 'em, I got 'em,

I swear this word to my father

And the only way to make it to the top

If you go and get it from the bottom

And I ain't never asked for no handouts

You won't carry me, no Mariah

These haters love when I was dead broke

But they ain't mad at me,

I'm on fire and I'm gon' burn

And they ain't gon' learn,

I remember they said that it ain't my turn

But it ain't confirmed, then the table's turned

Just look at me now, try to hold me down

But I ain't gon' stop, 'cause I'm gon' climb

To the mountain top, to the mountain top, now let's go Can't fall down, stay triumphant, keep on living

Stay on your toes

Get off the ropes

Don't let 'em ever count you out

Realize all things are possible

In your heart who's the greatest

Reach for the stars

Be all that you are

And make 'em all fall down Path that I choose flashing cameras as I pose

Throwing big money as she dances on the pole

Lime green Lamborghini dances in the road

License still suspended, no I never stop for tolls

Born slick talker, twice a week shopper

Blow a hundred wreck she don't know a footlocker

Red bottom boss house big as Baltimore

With a blonde bombshell tryin' to bomb with your boy

In the James Bond Beamer chrome wheel two seater

Smoking like Pimp C, spoken like a trill nigga

On a cloudy day baby I can make it rain

Rubber band, 50 grand bet it brighten up your day

Came from humble beginnings
Then was Hummers and Benzes
Now it's hundreds and millions, this is only the beginning
A don, a diva, the born achiever
The one believer, the game gets deeper
Can't fall down, stay triumphant, keep on living
Stay on your toes
Get off the ropes
Don't let 'em ever count you out
Realize all things are possible
In your heart who's the greatest
Reach for the stars
Be all that you are
And make 'em all fall down
Get 'em, get 'em, get 'em (Go)
Hit 'em, hit 'em, hit 'em (Go)
Get 'em, get 'em, get 'em (Go)
Hit 'em, hit 'em, hit 'em (Go)
Get 'em, get 'em, get 'em (Go)
Hit 'em, hit 'em, hit 'em (Go)
Get 'em, get 'em, get 'em (Go)
Hit 'em, hit 'em, hit 'em (Go)
Can't fall down now, so even when clouds surround you
And everyone seems to doubt you
Baby still know who you are
So you gotta keep on climbing
In spite of the chains that bind you
You can see the mountain top
It's not too far
Can't fall down, stay triumphant, keep on living
Stay on your toes
Get off the rope
Don't let 'em ever count you out
Realize all things are possible
In your heart who's the greatest
Reach for the stars
Be all that you are
And make 'em all fall down
Can't fall down, stay triumphant, keep on living
(Get 'em, get 'em, get em)
Stay on your toes, get off the ropes
(Stay on your toes)
Don't let 'em ever count you out
(No, no, no, no)
(Get 'em, get 'em, get 'em, get 'em go)
Realize all things are possible
In your heart who's the greatest
Reach for the stars
Be all that you are
And make 'em all fall down
They told me get 'em, I got em

They told me get 'em, I got em
They told me get 'em, I got em
They told me get 'em, I got em
They told me get 'em, I got em
They told me get 'em, I got em
