

I'm Just Too Shy

Jermaine Jackson

It never fails when I'm with you
I just freeze up inside
And you're waiting there with your arms open wide
My bashful feelin' just won't let me hide You look as if you're surprised at me
I know it's not the way it's supposed to be But did you know by now? Girl, I'm just too shy
Did you know by now? Girl, I'm just too shy I love to hold your hand, tell you, you're mine
But I just can't seem to make
That move or to say those words
Somethin' inside me just holds me back I want to save so much fun with you
I'm lost for words, I just can't begin Baby, didn't you know it?
Girl, I just don't show it
But I'm just too shy
Did you know by now? Girl, I'm just too shy Maybe time will bring a change in me
Loving is you is not as easy
As I thought it would be You look as if you're surprised at me Did you know by now? Girl, I'm just too shy
But did you know by now? Girl, I'm just too shy
Girl, I want to hug you, girl, I want to love you
But I'm just too shy Even wanna kiss you, tell you I do miss you
But I'm just too shy, girl, I'm just too shy
But did you know by now? Girl, I'm just too shy
Did you know by now? Girl, I'm just too shy
Did you know by now? Girl, I'm just too shy
