

Wipe away your kiss

Nine Below Zero

Just one look at you
I want to say I love you
But it's so hard for me to say
When I'm dreaming a million miles away

That's why I'll wipe away (wipe away) wipe away your kiss
Wipe away (wipe away) wipe away your kiss
Wipe away (wipe away) wipe away your kiss
Wipe away your kiss

History is all about the past
Chemistry is how long it lasts
But if you ask me to hold you tight
Or to kiss and make love through the night

I will wipe away (wipe away) wipe away your kiss
Wipe away (wipe away) wipe away your kiss
Wipe away (wipe away) wipe away your kiss
Ooh, yeah

Wipe away (wipe away) wipe away your kiss
Wipe away (wipe away) wipe away your kiss
Wipe away (wipe away) wipe away your kiss
Wipe away your kiss

I will wipe away (wipe away) wipe away your kiss
Wipe away (wipe away) wipe away your kiss
Wipe away (wipe away) wipe away your kiss
Wipe away your kiss
Wipe away your kiss
Wipe away your kiss
