

# Doctor Blind

## Emily Haines & The Soft Skeleton

The Lack of Light  
Hollow Sea  
Poison Beaches  
Limousines  
Toothless Dentists  
Cops That KillMy baby's got the lonesome lows  
Don't quite go away overnight  
Doctor blind just prescribe the blue ones  
If the dizzying highs  
Don't subside overnight  
Doctor blind just prescribe the red onesaaaaahhhhhhhhhhard to hold  
Cold to touch  
Fall to pieces  
Treat the rush in hindsight  
With prime time talk  
All your pain  
Will end here  
Let the doctor  
Soothe your brain, dearMy baby's got the lonesome lows  
Don't quite go away overnight  
Doctor blind just prescribe the blue ones  
If the dizzying highs  
Don't subside overnight  
Doctor blind just prescribe the red onesaaaaahhhhhhhh
