

All Your Love (I Miss Loving)

Steve Miller Band

All the love pretty baby
I have in store for you
All the love pretty baby
I have in store for you
I know you love me baby
You know I love you too
All your lovin' I've been lovin'
All your kissin' I've been kissin'
All your lovin' I've been lovin'
All your kissin' I've been kissin'
Before I met you baby
I didn't know what I'd been missin'
All your lovin' I've been lovin'
All your kissin' I've been kissin'
All your lovin' I've been lovin'
All your kissin' I've been kissin'
Before I met you baby
I didn't know what I'd been missin'
All the love pretty baby
I have in store for you
All the love pretty baby
I have in store for you
I know you love me baby
You know I love you too
