

Holes In The Floor Of Heaven

Blake Shelton

One day shy of 8 years old
Grandma passed away
I was a broken hearted little boy
Blowin' out that birthday cake
How I cried when the sky let go
With a cold and lonesome rain
Momma smiled said don't be sad child
Grandma's watchin' you today
'Cause there's holes in the floor of heaven
And her tears are pourin' down
That's how you know she's watchin'
Wishing she could be here now
And sometimes if you're lonely
Just remember she can see
There's holes in the floor of heaven
And she's watchin' over you and me
Season's come and seasons go
Nothing stays the same
I grew up, fell in love
Met a girl who took my name
Year by year, made a life
In this sleepy little town
I thought we'd grow old together
Lord, I sure do miss her now
'Cause there's holes in the floor of heaven
And her tears are pourin' down
That's how you know she's watchin'
Wishing she could be here now
And sometimes if you're lonely
Just remember she can see

There's holes in the floor of heaven
And she's watchin' over you and me
But there's holes in the floor of heaven
And her tears are pourin' down
That's how I know she's watchin'
Wishing she could be here now
And sometimes when I'm lonely
I remember she can see

There's holes in the floor of heaven
And she's watchin' over you and me
Well, my little girl is 23
I walk her down the aisle
It's a shame her mom can't be here now
To see her lovely smile
They throw the rice, I catch her eye
As the rain starts comin' down
She takes my hand says daddy don't be sad
'Cause I know Momma is watchin' now
And there's holes in the floor of heaven
And her tears are pourin' down
That's how you know she's watchin'
Wishin' she could be here now
And sometimes when I'm lonely
I remember she can see
Yes, there's holes in the floor of heaven
And she's watchin' over you and me
Watchin' over you and me
Watchin' over you and me
Watchin' over you and me
