

# How Long

[Paul Carrack](#)

How long has this been going on?  
How long has this been going on? Well, your friends and their fancy persuasion  
Don't admit that it's part of a scheme  
But I can't help but have my suspicions  
'Cause I ain't quite as dumb as I seem Well, you said you was never intending  
To break up our scene in this way  
But there ain't any use in pretending  
It could happen to us any day How long has this been going on?  
How long has this been going on? How long and how long has this been going on?  
How long and how long has this been going on?  
How long, baby? Oh, your friends and their gentle persuasion  
Don't admit that it's part of a scheme  
But I can't help but have my suspicions  
'Cause I ain't quite as dumb as I seem Well, you said you was never intending  
To break up our scene in this way  
But there ain't any use in pretending  
It could happen to us any day Tell me, honey  
How long has this been going on?  
How long has this been going on? How long and how long has this been going on  
Going on, going on?  
How long has this been going on? How long has this been going on  
Going on, going on, going on?  
How long, honey, oh, has this been going on? How long has this been going on  
Going on, going on, going on?  
How long has this been going on, going on, going on You been treaten me mad, you been treaten me bad  
And it's been going on, going on, going on  
I ain't quite as dumb as I seem, I ain't quite the fool you mean  
But it's been going on, going on, going on, going on
