

That Hump (with lyrics)

Erykah Badu

If I could get over that hump! (mmm)
Then maybe I will feel better
Maybe I won't fall!
If I could get over that hump! (mmm)
Then maybe I will Oh Lord knows I'm
Lord knows I'm trying
Said I'm tired (of this shit)
This dope
But it make it better
But it's dragging me lower
Hey and I know it's just (oh)
Lord knows
But If I (could get over that hump!) baby
Then maybe I will feel better
Maybe I won't fall (I won't)
If I could get over that hump!
Then maybe I will Oh I just, I just want to fly far away (far away)
Oh I'm living check to check
I'm just trying to pay my rent
And I can feel it
Coming down around me and these children
A boy, a little girl and
She so pretty
Oh feel me
We just need a little house
Come with God with a spouse, this building, building oh
My brother's sleeping on my floor
A bitch could us a little more yeaow
Then maybe I will feel better
Maybe I won't fall (If I oh)
If I could get over Since
We are lying here
Know I want, I want, I want you boo, to know
I ain't never done dope to cause
Only a smoked a joint or two
A toké me and you, boy
I know they both been through it
Day and night, night and day
Day and night and day and night

But I can't judge nobody
'Cause what if it was you
What if it was you
Bring it back girl
What if it was you
You
