

Sinner or a Saint

Caitlin Crosby

Whether you are a beggar or a thief
Whether you are an angel on their sleeve
Whether you are rich or small
Whether you have fell or will fall
Whether you have been beaten or done the bruising
Whether you have lost your way
Whether you have doubted me
Whether you are dirty or clean
Whether you are a sinner
Whether you are a saint
I will love you every step of the way
Every step of the way
I will love you every step of the way
I will love you every step of the way
Whether you don't lie or speak truth
Whether you use or have been used
Whether you are an honest man
Who build your house upon the sand
Whether you have full lungs that are barely breathing
Or on a street or a castle where you're sleeping
Whether you think you have run too far
My open arms will show you who you are
Whether you are a sinner
Whether you are a saint
I will love you every step of the way
I will love you
Every step of the way
I will love you
I will love you every step of the way
Every step of the way
I will love you every step of the way
So give it give it all to me
Lay it down you'll see
Like Peter like Paul
Like your mother
Like them all
Even though they broke the law
Even though they broke the law
Give it give it all to me

Give it
Whether you are a sinner
Whether you are a saint
I will love you every step of the way
I will love you
Every step of the way
I will love you
I will love you every step of the way
Every step of the way
I will love you every step of the way
