

# Beautiful to Me

Olly Murs

She, ties her hair up tight  
Puts her armour on  
When she steps outside  
She, lives in black and white  
And the colours gone,  
But its in her eyes Time and time again we're going back to the start  
And I try and try again to bring some light to the dark  
I know everyday's a battle and it tears her apart  
And I don't know why  
And I'm picking up the pieces when they fall to her feet  
She's been fighting all the demons so she'll never be free  
She's been hiding in the shadows yeah its hard to believe,  
But I don't know why Love, don't ever change the way you are,  
You light the sky just like a star  
I don't care what you say you're  
Beautiful to me, oh She, she never gets it right  
And it feels like rain on a perfect night  
And I'll, I'll be a hand to hold  
You can push me hard, but I won't let go Time and time again we're going back to the start  
And I try and try again to bring some light to the dark  
I know everyday's a battle and it tears her apart  
Don't you cry my Love, don't ever change the way you are,  
You light the sky just like a star,  
I don't care what you say you're  
Beautiful to me Love, open your arms and let it go,  
You're so amazing don't you know,  
I don't care what you say you're  
Beautiful to me, oh Light breaks through your hair and  
They all stop and stare and  
I'd go anywhere oh why can't you just see that  
I'm crazy about you  
I can't live without you  
You don't see it but you're  
Beautiful to me Love, don't ever change the way you are  
You light the sky just like a star  
I don't care what you say you're  
Beautiful to me, oh Love, don't ever change the way you are  
You light the sky just like a star  
I don't care what you say you're

Beautiful to me Love, open your heart and let it go  
You're so amazing don't you know  
I don't care what you say you're  
Beautiful to me You're beautiful to me
