Sleeping In

Menswear

won't wake up
You can't move the smile from my mouth
I'm not moving
I won't tell you what I've found

I'm only dreaming now
So don't make a sound
I'm only dreaming now
And it's all around, don't make a sound

It's not dying
I won't tell you how to live

I'm only dreaming now
So don't make a sound
I'm only dreaming now
And it's all around, don't make a sound

I'm not crying
What you get is what you give
