Snoop Dogg

Yes sirCan I get more thrills?
You know you want some more, girl, so, come on
Can I get more thrills?

You know you want some more, girl, so, come on
Let's get blown, let's get blownLooking at the ladies, all of them fly
I don't know which one I want dawg

I can't make up my mind, girlSo, won't you make it easy on me?

Then take this drink, then hit this weed

Two step wit me, let's slip to the dance floor

On and on and on we goI'll dip you if you want me to

You see, I really wanna get a little front wit you

Bigidy bump wit you, a nigga wanna hump you

And then just comfort youAnd then I'll pop the top and lay you on the cot

And get you nice and hot

We could do it like Guy, c'mon girl, let's chillCan I get more thrills?

You know you want some more, girl, so, come on

It don't really matter though
