

Dream Into Action

Howard Jones

Between every man there is a division
Nobody ever seems to get it right
Even between friends there is a long gap
One of them makes a mistake, there is a fight
Whatever you do you have the benefit of the doubt
Whatever I do please understand
Whatever we do lets make a pledge to put it right
So we can end the rule of the division
Putting the dream into action, into action
Putting the dream into action, into action
Whatever you like to do let that be my pleasure
Whatever you like to say Ill try to understand
Whatever you do you have the benefit of the doubt
Whatever I do please understand
Whatever we do lets make a pledge to put it right
So we can end the rule of the division
Putting the dream into action, into action
You are strong
(We are strong)
You feel it
(We feel it)
You are strong
(We are strong)
You are action
Putting the dream into action, into action
Putting the dream into action, into action
Putting the dream into action, into action
Putting the dream into action, into action
Putting the dream into action, into action
