

# Wipe Your Eyes

## Maroon 5

I'm afraid that I gotta do what I gotta do  
But, if I let you go where you gonna go  
We gotta make a change, time to turn the page  
Something isn't right, I don't wanna fight ya  
We've been through tougher times, you know it get worse  
We can turn this around, please let me be first  
And as I feel your tears spilling on my shirt  
Something isn't right and I don't wanna fight ya  
Hey you, come over and let me embrace you  
I know that I'm causing you pain too  
But, remember if you need to cry  
I'm here to wipe your eyes  
Tonight before you fall asleep, I'll run my thumb across your cheek (across your cheek)  
Cry, 'cuz I'm here to wipe your eyes  
I know I made you feel this way  
You gotta breathe, we'll be okay (be okay)  
Cry, 'cuz I'm here to wipe your eyes  
Ohh, oh  
'Cuz I'm here to wipe your eyes  
When do we cross the line  
How could we forget

Why do we let the pressure get into our heads  
Your broken heart requires all my attention  
'Cuz something isn't right, I don't wanna fight ya  
Hey you, come over and let me embrace you  
I know that I'm causing you pain too  
But, remember if you need to cry  
I'm here to wipe your eyes  
Tonight before you fall asleep, I'll run my thumb across your cheek (across your cheek)  
Cry, 'cuz I'm here to wipe your eyes  
I know I made you feel this way  
You gotta breathe, we'll be okay, (be okay)  
Cry, 'cuz I'm here to wipe your eyes  
Please don't lose your faith; don't worry 'cuz I'm here to keep you safe  
I promise if you let me see your face  
That I won't let you down, I won't let you down  
I'm here to wipe your eyes  
Tonight before you fall asleep, I'll run my thumb across your cheek

Cry, 'cuz I'm here to wipe your eyes  
I know I made you feel this way  
You gotta breathe, we'll be okay (be okay)  
Cry, 'cuz I'm here to wipe your eyes
