I Am Sorry

Martha Wainwright

I'm sorry I yelled at you
'Bout the baby's clothes
'Bout the car on fire
About loveThe seven year itch
Is quite a bitch it's true
But believe me, I don't lie
I love youAnd we can make it
If you don't break it
It's up to youWhen the fire gets cold
It's really cold
And to believe in you
Really believe in you
It's hard to doI'm sorry I yelled at you
'Bout the baby's clothes
'Bout the car on fire
About loveAnd we can make it
If you don't break it
It's up to youThe seven year itch
Is quite a bitch it's true
But believe me, I don't lie
I love youI am sorry I yelled at you
