

# Blackheart

## The Distillers

The one time you lied  
You were high, so high  
My life in my time  
You walk black linesHey, clean your mess  
Hey, you're a messThe one time I lied  
All the time  
My life and in my time  
You walk black linesHey, don't I need this  
Hey, don't I need thisFuck
