

Live or Die

Shaun Barrowes

Vs. 1

I'm a lonely ghost
In this haunting dream
Everywhere I turn
You abandon me

Chorus

We're all stars
In the same
Uneven sky
But it's you
I will love
Live or die

Vs. 2

They can bind my tongue
With everlasting shame
Every word I mean
Will still revere your name

Chorus (repeated)

Last Chorus
We're all moths
To the flame
And we don't know why
And your love
Is the reason
I'm on fire
I'm on fire
