The Future Is Now

Spitalfield

Listen to me beauty queen
I've been dancing darling, please
Hold on loosely, use me, tease
Hold on loosely don't lose me, pleaseYou're smoking that last cigarette
Hoping you'll be better for it
You meant it for the first time
Just like you said the last timeI am trying darling, please, please
Let's go someplace we don't know
Catch our problems, let them go
Take me gorgeous, break me slow
Set me straight and leave alone tonightYou're smoking that last cigarette
Hoping you'll be better for it
You meant it for the first time
Just like you said the last timeLike you said
Just like you said
Just like you said
Just like you saidListen to me beauty queen
I've been dancing darling, please, please
