Red

Fifth Harmony

Ally:
Loving him is like driving a new Maserati down a dead end street
Faster than the wind
Passionate as sin, ended so suddenlyNormani:
Loving him is like trying to change your mind
Once you're already flying through the free fall
Like the colors in autumn
So bright just before they lose it allFifth Harmony:
Losing him was blue like I'd never known
Missing him was dark grey all alone
Forgetting him was like trying to know somebody you've never metFifth Harmony (Lauren leading):
But loving him was red
Loving him was red
Loving him was redCamila:
Touching him is like realizing all you ever wanted was right there in front of you
Memorizing him was as easy as knowing all the words to your old favorite songDinah:
Fighting with him was like trying to solve a crossword and realizing there's no right answer
Regretting him was like wishing you never found out love could be that strongFifth Harmony:
Losing him was blue like I'd never known
Missing him was dark grey all alone
Forgetting him was like trying to know somebody you've never metFifth Harmony (Lauren leading):
But loving him was red
Oh burning redCamila:
Remembering him comes inAlly:
flashbacksNormani:
and echoesLauren:
Tell myself it'sCamila:
time nowDinah:
gotta let goAlly:
But moving on from him is impossible
When I still see it all in my headLauren:
Losing him was blue like I'd never known
Missing him was dark grey all aloneAlly and Lauren (with Camila, Dinah, and Normani):
Forgetting him was like trying to know somebody you've never metLauren (with Camila, Dinah, and Normani)
But loving him was red (Ally: It was red!)
But loving him was red (Ally: It was red yeah!)
Loving him was red (Ally: Red, Red)Ally:
Loving him was like driving a new Maserati down a dead end street
