

# Shine (feat. David Blake II)

## DJ Quik

[Chorus]

Shine, shine, shine

Everyday when I'm rolling through the hood

Players watch me 'cause they know I

Shine, shine, shine

Hey I know I'm shining I'm fresh ? bodies in the ?

Love to hate me 'cause you know I'm gonna

Shine, shine, shineKeep doing what you doing

It's ya time and its ya shine

I love the way you ride

I hope you shine

The party starts tonight

My friends are coming over

I really think you fly

Tonight's the night[Snoop Dogg]

I shine like Neptune, Venus, and Mars in ya face in ya state

In and outta cars, interstate, win a date with one of my broads

But you gotta hate a bitch before she gets your dick hard

That's what shinin about and when you get the hoe

You can tear her linin out, what you whinin about

You want the presence of pimpin, I'm walkin while limpin

And holding on the drink that I'm sippin, I'm flippin the script an'

I'm sliding while I'm dippin my whip in, out of traffic

It's so drastic, boombastic, this shits a hit, Jadakiss

Matter fact nephew this bitch is a classic, pass this

Hey yo locie loc' let's blow some dope, better yet lets go for dough

Hoe for hoe, I'm so fa sho, and so low and sensational

You know how I do it[Chorus]

Shine, shine, shine

Everyday when I'm rolling through the hood

Players watch me 'cause they know I

Shine, shine, shine

Hey I know I'm shining I'm fresh ? bodies in the ?

Love to hate me 'cause you know I'm gonna

Shine, shine, shine[Female Singer]

Keep doing what you doing

Then I'm looking for a breezy with a whole lot of soul so I can have a malfunction in my wardrobe  
To not the jada with the ?, its the Jada with the fo' fifth, clutchin on the fifth  
With Snoop be in the front and his jewelry shining all through his clothes and little tigger's  
In the back on the low, but I still shine though[Chorus][Female Singer]

Looking for us but I ain't looking for puss, right now ma I'm looking for cush  
And I'm strapped with the pound and ? shoes, cackies, T shirts  
Uh uh after my surrounding, air force ones, jeans, city lab  
A fitted that's when I'm back in the town and don't get it confused  
I'm proud to be gone, be home in a year with duffel bags out on the lawn  
So much money my niggas be counting it wrong, so many hits
