

# We Fall Down

## Praise and Worship

We fall down but we get up  
We fall down but we get up  
We fall down but we get up, oh yes  
For a saint is just a sinner who fell down  
But we couldn't stay there and got up, sing that  
We fall down but we get up  
We fall down but we get up  
We fall down but we get up  
For a saint is just a sinner who fell down and got up  
We fall down but we get up  
We fall down but we get up  
We fall down but we get up  
For a saint is just a sinner who fell down and got up  
We fall down but we get up  
We fall down but we get up  
We fall down but we get up  
For a saint is just a sinner who fell down and got up  
We fall down but we get up  
We fall down but we get up  
We fall down but we get up  
For a saint is just a sinner who fell down and got up  
Get back up again  
Get back up again  
Get back up again  
For a saint is just a sinner who fell down and got up  
Get back up again  
Get back up again  
Get back up again  
For a saint is just a sinner who fell down and got up  
Get back up again  
Get back up again  
Get back up again  
For a saint is just a sinner who fell down and got up  
Get back up again  
Get back up again  
Get back up again  
For a saint is just a sinner who fell down and got up
