

Had Enough (Remastered Version)

Mr. Big

Ain't like any other day
Finally comes a time to decide
I won't spend another day
Stuck here in the same old bind I can see myself as much too strong
To let this thing go on so long
It ain't a case of right or wrong
I'll put myself back up where I belong Oh, can't you see, I've had enough?
(Had enough)
Oh oh, can't you see, I've had enough?
(Had enough)
Baby, I've had enough I don't forget too easily
You're the one who told me a lie
Now you know you're free to be
Anybody's lover but mine I can see myself as much too young
It's not too late to stick to my guns
I'll take it right back to square one
When you turn around to look for me, I'll be gone Oh, can't you see, I've had enough?
(Had enough)
Oh oh, can't you see, I've had enough?
(Had enough)
Baby, I've had enough Why can't you see what you've, you've done to me?
I'm not too sure of it myself
The answer lies in a whole new beginning
The second time around Oh, can't you see, I've had enough?
(Had enough)
Oh oh, can't you see, I've had enough?
(Had enough)
Oh oh, can't you see, I've had enough?
(Had enough)
Baby, I've had enough, had enough
I've had enough
