Only My Heart Talkin'

Alice Cooper

Anybody's dream can fall apart
Anybody's mask can break
Couldn't tell you how I wanted you
Enough to make you want to stayI never said the words out loud
I guess, I couldn't get'em straight
Baby, give me one more chance
Before you walk awayIt's only, only, only, only my heart talkin'
Yeah, it's only, only, only, only my heart talkin'
Sayin' things I never thought I'd say
Can't you hear me knockin'
I tried to fool you but it wouldn't play
'Cuz my heart it's talkin', it's talkin'
Oh baby, it's talkin'
Talkin' to youEvery time I take it to the edge
Every time I'm so afraid
Don't you know I cry my eyes out, babe
Every time you look awayOh, I almost dropped a tear
But I caught it just in time
I'd say those things you wanna hear
If you'd help me, help me, help me tryIt's only, only, only, only my heart talkin'
Yeah, it's only, only, only, only my heart talkin'
Sayin' things I never thought I'd say
Can't you hear me knockin'
I tried to fool you but it wouldn't play
'Cuz my heart it's talkin', it's talkin'
Oh baby, it's talkin'
Talkin' to youWell, I don't want to hide away
Hide away without you, baby
Don't you go and run away
Come on and help me, baby
Just a little help, baby
Oh, myIt's only, only, only, only my heart talkin'
Yeah, it's only, only, only, only my heart talkin'
Sayin' things I never thought I'd say
Can't you hear me knockin'
I tried to fool you but it wouldn't play
'Cuz my heart it's talkin', it's talkin'
Oh baby, it's talkin'It's only, only, only, only my heart talkin'
Yeah, it's only, only, only, only my heart talkin'

Yeah, it's only, only, only, only, only
Only, only, only my heart talkin'
Talkin' to you
It's my heart it's talkin', talkin' to you
Oh talkin' to you
