# Where to Land

## Travis Garland

Save me
I'm falling through the sky (Yeah)
Into the water
I'm drowning in your eyes (Yeah)So cool on the surface
Stars all align just perfect
Leading me here, to you
So take me
Let's get caught up in the night (Right?)[Chorus:]
Why don't you tell (tell) me (me)
Where (where) to land?
Yeah, yeah, yeah baby
I'm falling right (right)
In (in) to (to) your hands
Yeah, yeah babyTell me you want that feeling
Tell me you want emotion
Tell me our love is deeper
Tell me it's like the oceanCloser
I'm moving to your clouds
Yeah, yeah
Girl, I can't wait for you to catch me
The best part is falling downSo cool on the surface
Stars all align just perfect
Leading me here, to you[Chorus:]
Why don't you tell (tell) me (me)
Where (where) to land?
Yeah, yeah, yeah baby
I'm falling right (right)
In (in) to (to) your hands
Yeah, yeah babyTell me you want that feeling
Tell me you want emotion
Tell me our love is deeper
Tell me it's like the ocean(III)
Yo, out of this atmosphere
Out of this world premiere
Out of control, swearing
Catch me or I'm out of here
Helicopters spinning
Got me falling from the top, top
Hollorin' on your roof, roof

'X' marking the spotYou da living proof
Licking papa on my arm
Matching diamonds, perfect timing
You my favorite lucky charm
Oh you so precious like a baby first born
Nowadays these kids are crazy
Like they're children of the kornBut i will do you no harm
I'll put it like this
Now you up against the wall
But I wont miss
The nice picture that i paid for
Give you something to stay for
Like alligators I twist you
Darth Vader fades to black[Chorus:]
Why don't you tell (tell) me (me)
Where (where) to land?
Tell me where to land baby
I'm falling right (right)
In (in) to (to) your hands
Yeah, yeah babyTell me you want that feeling
Tell me you want emotion
Tell me our love is deeper
Tell me it's like the ocean (x2)
