Just Say When

Dallas Smith

I wanna dance with you
Dance with you
Summer on a country road
Nice and slow
Watching you having silhouette spinning around
Couple mount side for the last of town
I wanna hold you tight
Love you like
I've never seen star light falling down
Shining off the hood
sipping something good
Maybe take all night
Baby, if we could
Just let me know
I'ma sitting on go
I'm ready to roll
Just me in the know
Baby, if you in
And I think you are
Yeah, I think you're in
So just say when

I got my Wrangler jeep
Parked down the street
You can kick on back in the passenger seat
We can sneak on out
We can crank it up
So top off that old Dixie cup

I wanna dance with you
Dance with you
Summer on a country road
Nice and slow
Watching you having silhouette spinning around
Couple mount side for the last of town
I wanna hold you tight
Love you like
I've never seen star light falling down
Shining off the hood

sipping something good
Maybe take all night
Baby, if we could
Just let me know
I'ma sitting on go
I'm ready to roll
Just me in the know
Baby, if you in
And I think you are
Yeah, I think you're in
So just say when
