

# The Man With the Child In His Eyes

**Tina Arena**

I hear him, before I go to sleep  
And focus on the day that's been  
I realize he's there  
When I turn the light off and turn over Nobody knows about my man  
They think he's lost on some horizon And suddenly I find myself  
Listening to a man I've never known before  
Telling me about the sea  
All his love is 'til eternity Oh, he's here again  
The man with the child in his eyes  
Oh, he's here again  
The man with the child in his eyes He's very understanding  
And he's so aware of all my situations  
And when I stay up late  
He's always waiting, but I feel him hesitate Oh, I'm so worried about my love.  
They say, "No, no, it won't last forever" And here I am again, my girl  
Wondering what on Earth I'm a doing here  
Maybe, he doesn't love me  
I just took a trip on my love for him Oh, he's here again  
The man with the child in his eyes  
Oh, he's here again  
The man with the child in his eyes
