

# Lost Control

## Unwritten Law

You're a problem child  
You got me running wild  
I came to save you, tried to, but I ran for miles I got my breath back now  
I'm gonna let you down  
It's fate to save you, tried to, but I don't know how You told me  
Don't let go, don't let me down  
Control is lost, control is lost and I won't be around Don't wanna change you, girl  
Don't wanna save the world  
Don't wanna blame you for the same things you just handle I guess it's my turn now  
I'm gonna shut my mouth  
You gonna hate it 'cause this time I won't be around You told me  
Don't let go, don't let me down  
Control is lost, control is lost and I won't be a You told me  
Don't let go, don't let me down  
Control is lost, control is lost and I won't be around Ooh now don't let go, don't let me down, down  
Ooh now don't let go, don't let me
