

# Movie Star

RÃ³isÃ-n Murphy

I'm a trusting soul, I'm ashamed of living dangerously  
And I'm a headstrong girl, I'm afraid I won't be told  
I feel my destiny is only 'round the corner  
Sugar daddy promised me I'll be sitting on top of the world

It's all my naked ambitions said  
I would leave them wanting more  
That could be crazy wishing  
We could ever have it all, have it all, have it all

We'll make a movie, we'll break into cinema  
You'll be director and I'll be your movie star  
We'll make a movie, the darlings of cinema  
You'll be director and I'll be your movie star, oh, oh

So he's a headstrong guy and perhaps I shouldn't listen  
There's a million girls wanna be in my position  
If he tells me lies I'll suspend my disbelieving  
I leave it all behind, I ain't asking for permission

Feels like a new beginning  
And there's so much to explore  
It's not so crazy thinking  
We could really have it all, have it all, have it all

We'll make a movie, we'll break into cinema  
You'll be director and I'll be your movie star  
We'll make a movie, the darlings of cinema  
You'll be director and I'll be your movie star, oh, oh

Movie star, movie star  
Movie star
